

METROPOLITAN
COMMUNITY COLLEGE
EST. 1993

Visiting Campus

In accordance with the *COVID-19 Go-Forward Guidelines for B.C.'s Post-Secondary Sector*, to ensure the health and safety of our community during COVID-19, the following policy has been enacted for all visitors.

Mandatory Guidelines

All Visitors must follow the Metropolitan Community College's Safety Plan including, but not limited to:

- For visitors, make an appointment with the person they are coming to visit
- Fill out and sign the College's COVID-19 Daily Checklist ahead for self-check
- Wear masks - either a CDC-approved, personal mask, or a disposable mask
- Complete COVID-19 Screening: check in at front office / reception for confirmation of COVID-19 Daily Checklist, and complete temperature check before proceeding to their destination on campus
- Practice Social Distancing including adhering to any taped distancing markers, signage and occupancy limits

Self-Monitoring

Self-monitoring is required for the safety of the entire Metropolitan Community College. All visitors with any of the following attributes will not be permitted to come to campus:

- Have a fever within 24 hours of visiting campus.
- Tested positive for COVID-19 within the last 30 days.
- Direct contact with a patient confirmed to have COVID-19 or with someone who is under care for suspected exposure to COVID-19 within the last 14 days.
- Traveled internationally or to a region that has high COVID-19 exposure rates within the last 14 days.

Important Note

These policies will be in effect starting October 9, 2020 but may change at any time.

Depending on prevalent conditions, the College may distinguish guidance among Visitors.
